

Allegany County Continuum of Care (CoC) Program

The Continuum of Care (CoC) Program is designed to promote communitywide commitment to the goal of ending homelessness; provide funding for efforts by nonprofit providers and State and local governments to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families and communities by homelessness; promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness.

The Allegany County Continuum of Care is a collaboration of public and private groups working to prevent and end homelessness in Allegany County, Maryland. Support for the Allegany County Continuum of Care efforts include federal and state funds including \$699,622 in the U.S. Department of Housing and Urban Development (HUD) funding awarded through the Continuum of Care Funding Competition.

Additionally, the County Continuum of Care must post on its website all parts of the County Continuum of Care Consolidated Application, including the Priority List. County Continuum of Care organizations that do not have a website, must post this information to a partner website within the County Continuum of Care jurisdiction (e.g., county/city website).
